PU 7010 z und PU 7011 z: Three different types of design, one quality

The fuel filters for Ford Kuga II, Ford Focus III, Peugeot 308 II, Citroën Berlingo II and many other vehicles with 1.5-2.0l diesel engines are being produced with three different types of design.

Regardless of the appearance, all versions of PU 7010 z and PU 7011 z fulfil the specifications of the various car manufacturers and all part numbers will provide the accustomed OE quality level.

MANN-FILTER provides a video with all details regarding mounting on the [MANN-FILTER YouTube channel](#) and in the MANN-FILTER online catalogue.
